Stay Safe & Healthy! Wear your mask!

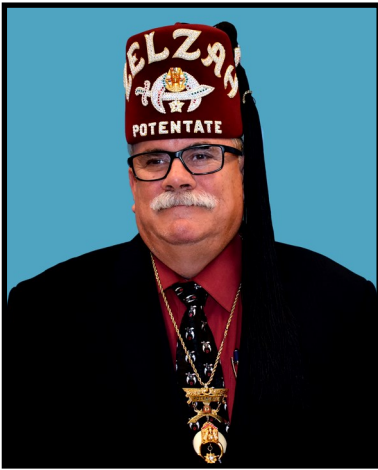

Potentates Ball - 9/26/2020

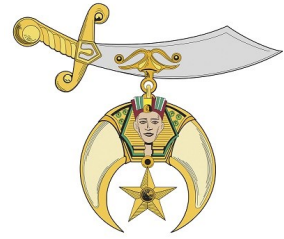

Christmas Party - 12/5/2020

These photos show in detail the hard work put in by several Nobles to make our onions sales a success. I particularly want to thank PP Bill Becker and Alan Wise who always seemed to be down at the Temple selling onions.

From the Potentate

“It was the best of times: it was the worse of times”. That quote from “A Tale of two Cities” sums up how this year is going. Because of circumstances beyond our control, much of what I wanted to do this year has been moved or cancelled. As soon as we are allowed to do so I want to resume activities for the year. In the meantime, here is a quick update.

Imperial Session:

Imperial Session was held electronically this year. All of the Imperial Divan moved up one office so our new Imperial Potentate is Ill. James Smith. The two open offices were filled by Matt Starlaugsau as Imperial Captain of the Guard and **Marty Bartlett as Imperial Outer Guard. The Latin America Shrine Association was also created.**

Activities:

The Pote’s ball is still a go for September 26 at the Orleans. We do have a block of rooms set up so please get your reservations in to attend. Hopefully, the medical situation will have improved so we can all have a good time.

Meetings:

We will hopefully be able to have a live meeting in August. I hope we can have a regular meeting and meal in August but we will have to see.

Everyone please stay safe and healthy so we can resume our activities when this crisis is over. In the meantime, keep smiling.

Membership**Robert Pedersen**

Ask not what the Fraternity can do for you.....

Ask what you can do for the Fraternity.

- The population for North America in the last 50 years has soared. In 1941, during the end of the depression years, we had 800,000 more members than we do today. .
- We all need to embrace the fact that we have a lot of work to do.

Our Masonic memories are to be treasured, but our Masonic dreams have faltered. We have forgotten our Masonic identity. Our memories exceed our dreams.

- We can sit & do nothing. Time is not the factor. **Doing nothing is the factor.**
- We can continue to watch our memories fade, as the doors close on our buildings, thus, letting the prior achievements fade.
- Why do we bow our heads when the “black Camel report” is read? And do nothing when we hear that our numbers dwindle. Let’s remember our departed brethren, with a new member.
- If you have ever the book “the World is Flat”, by Tom Friedman states....one thing tells me a company is in trouble is when they tell us: how good they *we*

Today we want to think that the “loss of membership” is our major problem. It is merely a symptom of the problem. Our core problem is: the Loss of Masonic/Fraternal Identity & the Lack of energy invested in Masonry. We forgot what we do for ourselves, for each other, to our lodges, to enrich our lives with the teachings we learned as we progressed thru the degrees: To be an upright man AND Mason..

Recently the public has been exposed to The DaVinci Code, National Treasures and Cable TV. It has helped to make the public aware of the name Mason or Shriner. But with the evolution of media and the internet, much too often incorrect or malicious ideas are publicized.

We owe the public more than fiction. We owe the public the truths. We owe it to ourselves and our Fraternal forefathers to present to the public the proper mindset of the Fraternity. Masonry is no longer considered to be an elite organization. The public is Confused: are we a Fraternity? A religious organization? We have lost our significance in the society.

Each of us has the responsibility to steward our fraternity into the future. We can continue to defer that responsibility to a small group of members (we call that the membership committee. The committee can manage the overall objective, but the true responsibility lies with EACH of us. Do you know how many petitions are now on file with us for the next ceremonial?

I would like to suggest that every member here today, gives us 1. JUST ONE.

Legion of Honor

Mike Kearns

Well it has been a few months since we have all been apart because of the COVID-19 pandemic. The last LOH meeting was in March. However, that does not mean the Legion of Honor has been completely idle. During the month of May many of the Legion of Honor members pitched in to help with our annual onion sales. I want to thank all the LOH members who stepped up to help with this important fundraiser. We also held our first zoom meeting and I appreciated those who attended. We did have some sad news as we lost one our brothers imperial sir Paul Granstrom to the Black Camel. Paul was a past commander of the Legion of Honor as well as a past potentate of Zelzah shrine. The Legion of Honor currently has a new fundraiser. We are selling face masks to utilize during the pandemic. There are three styles to choose from. They are an American flag mask, a shrine emblem mask, and a mask with the Masonic emblem. The masks are being sold for \$5.00, but as the costs of the mask have gone up the prices maybe increasing. They can be ordered by calling Mary or Elizabeth at the shrine office. Please during these trying times take some time to keep all members of our armed services in your prayers. Without their sacrifices we would not enjoy the freedoms that we do have. Also take sometime to say your prayers for all our first responders. They have an especially tough job during these trying times. Without all they do everyday for all of us I fear we our freedoms would be compromised. If you see one of our armed force members or first responders take a second to thank them and tell them you appreciate all they do for us. They need all of our encouragement during these tough times. Finally, I really look forward to the time when we can all meet again.

Thoughts from the Assistant Rabban Alan Wise

We had to work extra hard this year due to the pandemic issues which resulted in delays in delivery and missing products. I want to thank David Bechtel for developing an electronic volunteer roster which allowed us to remain on top of volunteer assistance for sales support. I want to thank Eric Halberg, Jack Richardson and Mike Cappa who made time to deliver onions to customers who were unable to come to the Shrine to pick up their onions due to issues related to the pandemic. I would also like to thank Mike Clark who not only delivered onions to customers, but also set up and ran an off-site onion sales lot. I want to thank Bill Becker, P.P. who came in every day except one Saturday (I insisted he take that day off) and worked with me at the Shrine Center from opening to closing every other day ensuring I didn't overwork myself. A big thank you to the Chairman's Club (the club's first onion sales year) who purchased onions and then donated those onions to a local charitable organization in addition to selling onions to their own customers. I would also like to thank Hillbilly Clan #47 for stepping forward this year and increasing their annual order significantly over previous years. Additional thanks to those local lodges, chapters, and the court for their support of this year's onion sales. Your support of the Shrine's onion sales highlighted how our masonic family works together for the betterment of our entire fraternity. A big thanks to Elizabeth and Mary for your assistance in helping me coordinate this year's sales and working tirelessly to keep our returning customers abreast of the onion sales updates. Finally, Nobles thank you for without your hard work the sales would have surely faltered and resulted in the loss of Zelzah Shrine Center funds needed to ensure the center is able to do the things needed to support not only our chosen philanthropic effort of helping children in need, but also to provide for costs of running our Center and making repairs and improvements as needed. I know the return in funds to the Shrine was not what we achieved last year, but without your assistance things would have been much worse and probably would have resulted in a loss that our Shrine can ill afford during these times.

Fraternally yours,

Alan L. Wise
