Christmas Party - 12/5/2020

Dear Zelzah Shriners,
We sincerely thank you
for sponsoring our trip to
Shriner's St. Louis for specialized
care for 4-year-old Iris.
It was an important and
informative trip and we are
very grateful to have been
able to go with assistance
from Zelzah Shriners.

Best Wishes,
Sara Moore &

I 012

From the Potentate

Hello Nobles,

I hope all of you are well. These are hard times for the Shrine but we have gotten thru hard times in the past and we will get thru these also. Because of the quarantine we will not be having our April meeting in April. I plan to have a combined March-April- May meeting in May. Hopefully things will be back to normal by then! While many Masonic events are postponed or cancelled, we still plan on having our Pote's cruise in November.

Although we will not be having a general meeting in April, a unit or club is able to use the temple for a meeting. If your unit or club wishes to use the temple please be sure to let the office know. While using the Temple, please be sure to take all precautions (social distancing etc.).

While we cannot meet together, please try to "keep an eye" on your fellow nobles. Some of our members may need help with doctor appointments, shopping or other things. Please feel free to contact me at bnlv@msn.com if you need assistance or if you know of a Noble or their family who needs assistance.

Normally this would be a much longer article but there just isn't that much to report at this time. Please bear in mind that neither the Imperial Potentate nor I have given any of you permission to get sick!!!

THEREFORE PLEASE STAY HEALTHY AND WE WILL SEE EACH OTHER IN MAY.

Yours in faith,

Bruce Nelson

Legion of Honor**Mike Kearns**

Well the last few months have been very eventful for the Zelzah Legion of Honor. In February I was honored to travel to Houston Texas with IALOH 4th Lt Commander Russ Gray. We attended the Texas Association Legion of Honor (TALOH) convention. The TALOH leadership did a great job at the convention. I learned a few things that they are doing that I want to try with our Legion of Honor at Zelzah.

While I was in Houston our LOH had our February meeting led by Vice Commander Jerry Eitel assisted by Bob Norton and Ron Krever. Thanks to all who stepped up. Thanks also to my wife Peggy who provided Lasagna and everyone else who brought food.

Shortly after arriving back from Houston I had a serious health scare with my heart. Both Peggy and I want to thank everyone for their thoughts and prayers. They were truly appreciated.

We were able to hold our March LOH meeting. Thank to Virginia Gray for the Corn Beef and Cabbage and to everyone else who brought yummy foods and deserts.

Since then everything has ground to a halt related to the Covid19 pandemic. Even though we have not been able to meet in person I know we have all been in each other's thoughts and prayers. I am especially grateful to hear that Lady Doris Mathison is doing better and will be returning home soon. Please know that if any of our LOH members, their families, or our honored ladies need anything during these times they can reach out to me or any LOH member and we will do what we can to assist. Times like these show we have a strong organization and we will come through these trying times just fine. I am very proud and honored to lead this great unit.

Please remember we are still doing onion sales so get your orders in ASAP. Be sure you indicate to give the LOH credit.

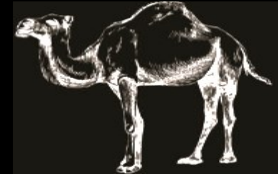

Finally, I look forward to the time, when is determined, that it will be safe for us to gather together again. When that happens I look forward to working hard to have the LOH be the best unit we can be and to continue to support the Zelzah Shrine and our Shrine children.

Fraternally

Mike Kearns. LOH Commander

Thoughts from the Assistant Rabban**Alan Wise**

This fraternity of ours is a brotherhood composed of many parts: Masons, York Rite, Scottish Rite, Shriners, Eastern Star and Order of the Amaranth, Inc. Some of these groups have sub groups, but all are part of the whole, this brotherhood which was started so long ago and has stood the test of time. But what is a brotherhood. Brotherhood has several definitions, such as, "all those engaged in a particular trade or profession or sharing a common interest or quality or a fraternal organization." But the definition of brotherhood which I strive to live up to is: "the belief that all people should act with warmth and equality toward one another, regardless of differences in nationality, creed, ethnicity, etc." During these times, we as Masons should be setting an example for others to emulate. Let us practice "brotherly love" in our day to day lives, in the light as in the dark.

In May, we observe Armed Forces Day and Memorial Day. On Armed Forces Day we honor our active duty, reserve and guard armed forces members. If you know or meet a man or woman serving in our armed forces, please take a moment and thank him or her for serving and ensuring our freedom. Memorial Day is a time to give thanks and to remember those who have made the ultimate sacrifice to ensure the liberties we so often take for granted in this great country of ours. Let us not think of this day as a day for barbeques, a day off from work or a time just to kick back and relax. Let us lead by example and be the ones who take some time to pay tribute to those men and women, who through their actions through all the generations of this nation have sought by the giving of their lives to ensure that this nation of ours remained secure and free for the next generation. Make sure you pay the right homage to the flag for which they fought and died. And take a moment to honor them in your heart and help your family to understand what these great Americans did for them.

On 14 June, we celebrate Flag Day. What does Flag Day commemorate for the American people. It marks the adoption of the official flag of the United States. This adoption dates back to the Flag Resolution of 1777 which in part declared that "the flag of thirteen United States be thirteen stripes, alternating red and white, that the union be thirteen stars, white in a blue field, representing a new constellation." Flag Day began as a local celebration with the first celebration being held in Wisconsin to mark the anniversary of the Flag Resolution of 1777 on June 14. From there more and more communities began to mark this special day in the history of this union. Flag Day was officially established in 1916 by presidential proclamation signed by President Woodrow Wilson. But it was not until 1949, when President Harry Truman signed an act of Congress that June 14 was designated

encouraged to display the flag on that day to celebrate our flag and its heritage. What of the woman, Betsy Ross, the supposed maker of the nation's first flag, it is purported that George Washington entered her shop in Philadelphia on the eve of independence with a sketch of a new flag to represent those first thirteen states of our union. It is said the most memorable moment of that meeting was when looking at the six-pointed stars represented in the sketch, that Betsy folded a piece of paper and with one snip of her scissors produced a perfect five-point star. Her efforts convinced the future president and an important element of our national identity became a fact. Betsy is an important part of our American history, not because she made any one flag, but rather because she was a young American craftswoman who embraced the resistance movement with vigor, helped celebrate its victories and suffered its defeats. Her story is important because it helps us understand the working men and women who helped to build early American cities and industries. And that flag that waves above the White House and every other home and business in this great nation or stands inside a masonic lodge or any other masonic based organization building is a continual reminder of the people, past and present, which helped to make this great country.

In July, we celebrate the birth of the American independence. Why was the 4th of July chosen for this celebration? It was because on that date in 1776 the Continental Congress formally adopted the Declaration of Independence. The first annual commemoration of Independence Day was held in Philadelphia on July 4, 1777 and later Massachusetts became the first state to make the day an official state holiday. In 1870, almost a hundred years after the formal adoption of the Declaration of Independence, Congress made the July 4th a federal holiday. This celebration is marked by family gatherings and patriotic displays such as parades and firework shows. But more importantly it represents the forming of our nation and the development of the American culture and freedoms which have been defended and fought for by generations of Americans. As you celebrate the 4th of July this year, please take a moment to reflect on the culture and freedoms that serve as a beacon of light to so many.

Fraternally yours,

Alan L. Wise

HILLBILLY CLAN #47

Mike Cappa

To the Cuzzins and noncuzzins:

I hope that this News Letter finds all of you in good health as we continue to move through these times of isolation from our usual duties. I encourage you to stay connected with your family, friends and our Masonic Brothers and Sisters. Stay Strong! And together we will get through this Historical Event.

I hope that those that celebrated Easter and Passover had unique ways of spending it together with family.

Future events for us to remember: April is the kickoff of the Shrine Onion Sale. Let's get out there and help to raise a few dollars for Zelzah as this is our only fundraiser of the year that helps Zelzah Shrine to operate and continue to keep our doors open to the nobles.

Our next get together will be June 14, 2020 unless postponed. This get together will be our annual Legion of Honor- Hillbilly Bingo event. We will be holding it at the Zelzah Shrine Hall on Eastern Ave.

The meeting will begin at 1 P.M. With food and drinks being served and prizes to be won during the Bingo games. Hope to see you all at this event as this will be the first time we get back together since February.

In parting stay strong and healthy and Honor the Cobb.

Mike Cappa

Fahgettaboudit,

We're all experiencing some challenging times while getting through this pandemic, we are absolutely committed to more fellowship and fun in the coming months. This challenge had taught us to value the special moments of Brotherly Love, Relief and Truth. I will email out dates to upcoming events as we get to the other side of this shutdown, we have some fun and unique events planned that you will not want to miss.

Here is a photo from our Bourbon Tasting Event we had in Early March, we tasted several types and ages of Bourbon, one being over 45 years old that Fred Campbell brought to share. We learned a great deal about this spirit and were treated to a delicious meal by Dave Bechtel and his forgiving Wife that hosted our sorry muggs. Of course we imbibed in some great Cigars and fellowship and brought some Cigars to donate to the Troops. We had some Blue Lodge Brothers visitors and hope to see them and more at upcoming events.

Stay Healthy!

Friends of Zelzah

Nobles:

I would like you to join Noble Jack Richardson and myself in thanking Mr. George Pongracz, AFM of Ace Banners & Signs for his assistance in preparing the Hospital Services signs in English and Spanish now displayed in marque outside the Shrine Center meeting room. Noble Richardson and I had a discussion about having these signs made up and he advised he knew of a place to get an estimate for having these signs made. Jack contacted Mr. Pongracz to get an estimate, but Mr. Pongracz advised him all he needed was the dimensions of the signs and he would make them at no cost to the Shrine. These signs are a visual advertisement of our philanthropy and Mr. Pongracz efforts on our behalf deserves our thanks and patronage in the future. So if you have a unit, club or personal need for a sign or banner, I would like to suggest you contact Mr. Pongracz as one of the sources for these items. His business card is included in this issue of the Zelzah News.

Robert Adams

Hello Nobles,

It is now May 2020 and the #JUST ONE program continues to provide us with potential new nobles. Although life has thrown us a curveball we are still able to practice what we are as Masons and Shriners. I want to personally THANK all of those who have kept our momentum alive with helping kids from the Divan to the Office staff and our nobility, even if we do it virtually.

Social events may have been postponed or cancelled, but we can still do what we do best: Being better every day as we smooth our Ashlars! This new lifestyle of ours whether it be social distancing or being more safety conscious (washing our hands and keeping our family and community safe) has us rethinking our day to day lives and what we can do to help our community and the people who live in it. These are life lessons for sure and I am sure along with myself, that the rest of our community appreciates it. KUDOS NOBLES!

Hopefully, everyone has kept busy with personal life goals. We have to ask ourselves what it is we do daily that makes us happy and can we share that with the nobility. As we look forward, I want to mention a goal we have about a masonic friendship dinner. During this period of life changes, I am sure we are meeting new friends and finding great men in our lives that might make the craft just one-more stronger. So, we will be planning a “get-to-know what we do event” which will include speakers from Blue Lodges, Scottish and York Rites, as well as from Zelzah Shrine.

As we look for daily motivation, I am sure we are reminded of the efforts of the lodges and other appendant and affiliated bodies to stay in communication with each other. Make sure you reach out to your lodge brethren, appendant and affiliated bodies’ members and check in and see if anyone needs assistance with deliveries of food or other commodities if requested as our lessons about the Cable Tow teaches us a lot. There are many people caring for each other already.

I know everyone will be very excited to get back to socializing and attending our meetings. When it comes to membership we have to remind ourselves of the number of opportunities we have to discuss life and how Masonry helps us in this time of need. When we became Masons and Shriners we changed our lives and the day to day events in our lives. Just like Ill Sir Bruce said, “like all organisms we must evolve and change for the better.” In other words, this might involve trying something new in the Shrine or Lodge, not continuing to do it the same old way because that is the way it has “always been done”.

We must try new things if we are going to evolve and grow.

Sounds pretty simple, right? Many Shrine temples and Masonic bodies are making changes with their members to find out what they would like to get out of the common goal of “being safe”. The good news that at some future date we will look back at this time of 2020 and tell the stories of what we did to adapt and change, i.e. “remember my year stories”. I encourage you to grow and keep the efforts of our goals. People like to share the stories and feelings about what occurred so they can find “value” in the actions and the goals they achieved. I would remind you that “we get out of it what we are willing to put into it” whether it be our Shrine Center or our Blue Lodge. Although we are dealing with a slow time in society, we still need to be reminded of our goals which are just as important and need to be focused on even during this time. The question is as we strive day to day to act and be a Shrine Mason, we need to remember with each new day comes new children to help and with new kids comes new needs for membership. Nevertheless, the goal is what value do we offer as Shriners to the community and/or the new Noble or candidate?

As you plan your day I challenge you to ask yourself, “What does it take to be a good leader or member of the Shriners’ International world?” Think about how we interact with our fellow nobles and brethren. Think about your reasons for becoming a Mason and a Shriner. Make sure you participate in our communications and our philanthropic service to our communities. As we build membership through recruitment, retention and restoration, we are reminded of the value we were looking for in a candidate to help our Shrine accomplish its goals and support what we do. Our value to the community is our commitment to making sure our Shrine children are given the opportunity to lead a better life and grow up to be successful adults. We may currently be limited in our social activities, but thanks to technology and personal drive, we can continue to make the dreams of our Shrine kids come true.

#JUST ONE piece of the puzzle makes our goal one step closer to be accomplished.

Medical Center – Pasadena

The following information from the February and March 2020 Board of Governors (BOG) Meetings is provided for your review. If you have any questions please contact one of the below listed Zelzah Shrine representatives.

CHAIRMAN AND ADMINISTRATION REMARKS FROM THE FEBRUARY BOG MEETING:**Chairman's Remarks**

Chairman Kupka thanked our Board of Trustee Liaison, Imperial Sir Costello, for being present at this meeting. He continued with comments to the Medical Center moving in the right direction; the Tijuana Clinic move enhances our services deliveries and anticipates improved processes and patient experiences to our patient population in Northern Mexico. He also mentioned that Shriners signage and Silent Messenger are expected to be in place over the upcoming weeks.

Administration (Hospital Leadership)

The Medical Center's overarching 2019 year-end scorecard was reviewed and discussed. Administrator Dougherty highlighted that we exceeded our targeted goals in our primary key performance indicators. It was also reported that we have been successful in our appeal in getting an exemption on the property taxes and have already received refunds (not 100%) for 2016 and 2017.

The Tijuana Clinic volumes report was presented --- numbers continue to rise. An update was given as to Tijuana's post-move and settling into operations at the new facility. All indicators points to operations being fluid and patients/patient families being delighted with the new location. Patty indicated that Hospital Angeles views Shriners as an excellent partner. Our affiliation with HIC continues.

CHAIRMAN AND ADMINISTRATION REMARKS FROM THE MARCH BOG MEETING:**Chairman's Remarks**

Vice Chairman Mantucca expressed appreciations for the medical center's frontline staffers and all involved in maintaining a work environment centered on safety while continuing to deliver patient care services.

Administration (Hospital Leadership)

Administrator Dougherty declared that the medical center's focus is to ensure that we continue to operate safely and doing all that we can to minimize the financial impact to our employees due to the COVID-19 instituted measures.

The Medical Center's overarching YTD February 2020 scorecard was reviewed and discussed.

Administrator Dougherty highlighted that through February 29 we exceeded our targeted goals in our primary key performance indicators. It was highlighted that the 2020 strategies for growth continues to be our focus. We are continuing ongoing talks with CHLA and major IPAs within S. Calif. It was mentioned that with operations being impacted by the current COVID-19 crisis --- all our performance indicators will be negatively impacted over the next few months.

Chief of Staff and DPCS briefs focused on COVID-19 safety measures instituted; Performance Improvement initiatives and Academic activities being slowed in response to the current crisis affecting all travels.

DFS commented that we are experiencing an unfavorable reporting period; however, our Payor mix and Philanthropy are improving.

Tijuana Clinic Report (Reported by Patricia Siqueiros)

The Tijuana Clinic volumes report was reviewed and discussed. It was also mentioned that the clinic is restricted to scheduling post-ops, casting and emergency surgeries. An update was given as to other COVID-19 instituted measures, including screening all entrants to their floor (including non-Shriners patients/patients families).

Fraternally yours,

Dan Kelly
