# From the Potentate

The Shriners PGA Golf tournament was another great success story for Shriners. We have signed another 5-year deal with the PGA to hold the event at the TPC in Las Vegas, Nevada. Those Nobles who participated in the event, I want to thank you. As your dedication to our philanthropic organization has helped so many children in the Las Vegas area. You guys are the best!

“Zelzah Shriners Day” was proclaimed by the City of Las Vegas on Wednesday, October 6, 2021. The proclamation was presented by Councilman Knudsen in front of Las Vegas City Hall. Those who attended were thanked by the councilman for all the hard work you do for the community. This was an incredible honor to receive this proclamation from the City of Las Vegas.

Our Legion of Honor performed the presentation of the colors at the Pasadena Board of Governors meeting on Wednesday, October 6, 2021. They did an excellent presentation. We all should be so proud of their performance.

Our Divan was well represented at the Pasadena Board of Governors meeting by Chief Rabban Alan Wise, Treasurer Chris West, Oriental Guide Eric Halberg, Public Relations Chair Brendan Vargas, Mary Morris, and myself. We presented the Congressional Recognition Certificate from the office of Senator Jackie Rosen to the Pasadena Shriners Children clinic and to Imperial Sir Bill Bailey.

On October 13, 2021, eight (8) Nobles from the Mabuhay Shrine in the Philippines came to our Shrine to meet and greet our Divan. They included Past Potentates, the Assistant Recorder, and other nobles. We had a great time with our brothers from the Philippines, and I want to thank all of the nobles who attended the event.

We are continuing to make improvements to our Shrine complex. Sonitrol has added eight (8) more cameras to make a total of sixteen (16) cameras to obtain complete coverage of the complex. The front sidewalk has a temporary surface and we should be receiving the final coating soon. The lighting project has been completed and we are looking to improve or add lighting under the front of the building above the sidewalk. The fencing project is being diligently worked on to fence the back and side area of the building. We are getting estimates now for the project.

Don't forget to sign up for the Zelzah Wine Tasting event to be held at the Masonic Memorial Temple, Bobo room, on Friday, November 5, 2021, at 6:00pm. The price is \$50.00 per person but includes upscale wines and hors d'oeuvres. Please invite family, friends, brother Masons from your lodges and neighbors. The more the merrier. Lou Castle will be hosting the event. This is an event you don't want to miss.

The Potentate's Official Visit to Laughlin has been scheduled for Saturday, November 20, 2021. We have reserved a block of rooms at the Riverside Hotel in Laughlin, Nevada. We will be doing a dinner on the Riverside Paddle boat while touring the Colorado River. It would be nice to have the Divan and as many Nobles present to show our support for the Roadrunner Shrine club.

In closing, I want to thank the Divan for their active support of the Zelzah Shrine. With your support, we have been able to get a lot accomplished this year. Every member of the elected Divan took on a task to help our Shrine and they did a superb job. So when you see your elected Divan, tell them thank you.

Yours Truly,

Dwain A Rittenhouse,  
Potentate 2021

**Thoughts from the Chief Rabban Alan Wise**

October was a busy month for Zelzah Shriners, we began the month with the Shriners Children’s Open, were many of our Nobles and their ladies volunteered during the golf tournament. It was great to see so many of Zelzah’s Nobles and ladies helping to make this golf tournament a success. During that week, Las Vegas City Council recognized Zelzah Shriners by proclaiming October 6, 2021, Zelzah Shriners Day. I want to thank all the Nobles who came out to City Hall to hear City Councilman Knudsen speak about the community and our efforts to improve the lives of children and their families. Our Zelzah Shrine Legion of Honor Color Guard presented the colors during the Shriners Children’s Southern California Board of Governors meeting. During that meeting our Potentate spoke about our efforts and desires to establish a clinic here in Las Vegas to provide care for the children of Southern Nevada under the umbrella of Shriners Children’s medical system. His words were met with a positive response from the Board of Governors members, Imperial Officers and Shriners Children’s Trustees in attendance. On October 12, our Potentate, the Chairman of Outreach Clinic, Ricardo Limon, the Administrator of the Shriners Children’s Southern California Medical Center in Pasadena, Christopher Dougherty, and I met with County Commissioner William McCurdy II, and the University Medical Center CEO, Mason Van Houweling, to discuss the establishment of a Shriners Children’s Clinic here in Las Vegas. This meeting was very productive, and each group came away feeling that the way forward will lead to a positive outcome for our clinic and the children of Southern Nevada. We will continue to pursue the establishment of this clinic until we successfully complete this task. On October 13, Zelzah Shriners welcomed eight visiting Nobles from Mabuhay Shriners. It is my opinion these visiting Nobles went away with an incredibly positive view of Zelzah Shriners. There was even discussion about our Nobles visiting their Shrine Center in the Republic of the Philippines.

I wish to congratulate all those Nobles who participated in the Feztival in Laughlin in October. I hope that you enjoyed good fellowship and the Ceremonial met your expectations. I look forward to working and enjoying fellowship with each of you as you become more involved with Zelzah Shriners.

At our October Stated Meeting we paid tribute to and celebrated our Past Potentates and First Ladies. We hope that you enjoyed the meal and the fellowship of our Shrine Center.

Finally, your Oriental Guide, Eric Halberg, and I attended Shriners International Education Foundation leadership conferences in late September. The four days each of us spent attending these conferences were filled with information, practical application of training we received, and fellowship with Nobles and their Ladies from all over the country and world. As I told Eric when I returned there were occasions it felt like they had used a fire-hose to provide as much information and guidance as they could in such a brief period. Eric’s Lady, Michelle, attended the Oriental Guide Leadership Conference with him. She too received training. We had several joint classes where both Nobles and Ladies received training and information together, as the Imperial Leadership wholeheartedly believes this is a journey best traveled side by side and that our ladies are just as important to the success of our fraternity as our Nobles are.

Fraternally yours,

Alan Wise  
Chief Rabban

Wednesday October 6th will go down as a memorable day for all Zelzah Shriners as a group of 20 Nobles and ladies made their way to Las Vegas City Hall for the proclamation of "Zelzah Shriners Day" by the City of Las Vegas, sponsored by City Councilman Brian Knudsen, and signed by Mayor Caroline Goodman and the entire City Council.

This proclamation is part of the work that the Divan is doing to further relations between the Temple and local, state, and federal government to help boost our projects like the planned Shriners Children's Clinic for Las Vegas. Having these relationships and getting the Shrine in the public eye only helps to further our work in Southern Nevada.

Illustrious Potentate Dwain Rittenhouse also met with County Commissioner Will McCurdy as part of the efforts to secure space at UMC for the clinic, this coming after the meeting that Chief Rabban Alan Wise and PR Chair Brendan Vargas had with Councilman Knudsen. These meetings have resulted in support for our initial work in getting the clinic here. The takeaway from the meetings is that both offices have agreed to work with us and this works not just for Zelzah, but our kids who will benefit from additional treatment they can get locally without having to travel to Pasadena.

We are also looking to build our relationship with the Las Vegas Metropolitan Police Department as they can play a big part in helping improve the security on our property. Overall the PR Goal of enhancing Zelzah's visibility is paying off with more events and meetings to come during the rest of the year and into 2022.

Last night I had the honor to represent LOH in Mexico City as the Anezeh Potentate asked me to carry the American Flag during the opening ceremony directed by the Mexican Army. Anezeh Noble General Pinzon of the Mexican Army arranged for full honors last night and it was an honor to be part of it.

A continuation of the Ancient Order Nobles of the Mystic Shrine short history.

In the early 1900's, membership grew rapidly and as well the range of Temples widened. In 18 years there were Temples in Canada, Hawaii, Mexico, and Panama, Canal Zone. The organization became the Ancient Order of Nobles of the Mystic Shrine for North America. The first Shrine Circus is believed to have opened in 1906 in Detroit.

The Shrine gave aid to the 1906 San Francisco earthquake and in 1915, the Shrine contributed to relief of European war victims.

In 1921 at the Imperial Session in Des Moines, Iowa, the proposal to create a charity for crippled children was passed and before the 1922 session the cornerstone for the first hospitals for Crippled Children in Shreveport, La. The rules were no one would be charged for the orthopedic care if they could not afford it for children of 14 years of age and it was thought they could be helped. This later changed to 18 years of age. This work is supervised by the Board of Trustees, who are elected annually and serve without pay. Each Hospital was governed by a local Board of Trustees, all members are Shriners.

The Hospitals are funded by a percentage of Shrine dues and endowment fund as well as fund-raising temple activities.

They also do research activities and now spend more than 14 million dollars, a year on several children's diseases.

Information taken from a short history of the Shrine.

# **Oriental Guide Must Be Selected Wisely**

## **Election of Zelzah Officers**

**December 21, 2021**

When the members of Zelzah Shriners elect a Noble to the Office of Oriental Guide, they are virtually starting that Noble through the Divan Line on the assumption that he will prove qualified for and worthy of advancement to the high office of illustrious Potentate.

Hence it is quite evident that nomination for Oriental Guide should be based upon thorough and accurate evaluation of character, ability, motivation, interest and experience. A Noble can be a great fellow, hard worker; and loyal Shriner and yet lack the basic qualification which make for a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to Zelzah Shriners in seeking the Office or in permitting his fellow Nobles to support and promote his candidacy.

Each Shrine Temple needs and requires capable, high type leadership. The normal starting point of that leadership is the office of Oriental Guide. The following checklist may prove helpful in evaluating potential candidates for the Office of Oriental Guide. However, no thinking man would be so naïve or presumptuous as to believe that any one Noble could possibly embody all of the virtues, talents and qualifications which are set forth in this check list. Nevertheless the list has practical value for self-evaluation by the Noble whose ultimate aspiration is the Office of Illustrious Potentate and for evaluation of potential candidates by the voting members.

**Leadership**

**Executive ability**

**Community standing and influence**

**Financial security**

**Business Sense**

**Energy and Vitality**

**Capable of building good public relations**

**Good habits and moral character**

**Well-Poised**

**Good Health**

**Diplomacy**

**Stage Presence**

**Competent Organizer and Promoter**

**Possess Social Graces**

Many temples have placed a definite limitation upon their progress as a result of hasty judgement in connection with nominations for the office of Oriental Guide. Every Noble is not fit to meet the rigorous demands placed upon Potentates. So let's be fair, honest and wise in the all-important matter of electing to office only men who are eminently qualified for the job. We all know that with honor comes responsibility. While there is high honor associated with being a Divan Officer, the ensuing responsibilities entail a lot of time and energy consuming work. Eternal vigilance must be wisely and thoughtfully exercised by the voting membership in order to perpetuate a high caliber of leadership.

Here is hoping everyone has had a good beginning of the fall season. Last month I wrote that I was ready to get back to work doing the work as LOH commander. Boy did I get what I was asking for. It has been an extremely busy few weeks for the Legion of Honor. It started with the Fall Festival Parade in Pahrump. Thanks to all who attended. Our Potentate, Illustrious Sir Dwain Rittenhouse, led a large contingent of Zelzah Shriners and we all had a great time. See Enclosed Picture of LOH representation. Special thanks to Mike Cappa who provided everyone a delicious lunch of ribs, brisket, corn on the cob and other delicious items. Thanks to Pahrump Lodge who hosted this lunch after the parade.

I was honored to represent the LOH at the City of Las Vegas City Hall on October 6th as part of a contingent of Zelzah Shriners who were there when October 6th was proclaimed Zelzah Shriners Day. Then later that day the LOH was honored to present the colors at the Pasadena Hospital Board of Governors meeting at the JW Marriott. Thanks to all my LOH team members who attended. The team consisted of myself, Russ Gray, 2nd Lt. Commander of the IALOH, Illustrious Sir Bob Norton Past Potentate 2010 and Noble Ron Krever, Past Commander LOH. The team did a great job and did Zelzah Shrine proud. The following morning the Zelzah LOH was honored to present the colors again at the opening of the Shriners Children's Open golf tournament. See enclosed pictures of that special ceremony. Again thanks to my team members consisting of myself, Russ Gray 2nd Lt. Commander IALOH and Illustrious Sir Bob Norton.

The LOH and Zelzah Shriners were well represented at the golf tournament volunteering wherever needed. I don't know about the others who volunteered, but I had an absolute blast. It was a lot of fun being out among crowds again at the golf tournament. It was something I really missed at last year's event. If you have not experienced this event I strongly encourage you volunteer for future Shriners golf tournaments. The PGA has signed a contract with the Shriners to hold this event for the next five years here in Las Vegas.

The LOH and Hillbilly Clan held its annual LOH/Hillbilly's Bingo fundraiser on October 16th. The LOH is slated to do the flag folding ceremony at prior to the Shrine's stated meeting on November 23rd. I along with Russ Gray and our wives and Vince "The Dude" will be leaving for Washington DC on Nov 2nd to attend the annual wreath laying at the tomb of the unknown soldier at Arlington National Cemetery. More to follow on these events in next months Zelzah News. I wanted to take a moment to congratulate Noble Jack Richardson as he was picked to be part of an Honor Flight to Washington DC leaving October 15th. Congrats Jack, it is well deserved. Finally, and as always it has been my honor to Command the Zelzah Legion of Honor.

Respectfully Submitted

# THE 148TH IMPERIAL SESSION SHRINERS INTERNATIONAL

JULY 3–7, 2022

MINNEAPOLIS, MINNESOTA • IMPERIALSESSION.COM

## A DOUBLE ANNIVERSARY

The 148th Imperial Session of Shriners International will take place in Minneapolis, Minnesota, July 3 – 7, 2022. All nobles, ladies and their families are invited to join Imperial Sir Bill Bailey and Lady Debby Bailey for the fraternity's biggest event of the year.

This year's event will be extra special, as the gathering will recognize two milestones: the 150th anniversary of the fraternity and the 100th anniversary of the philanthropy, Shriners Hospitals for Children®.

## EXPLORE MINNEAPOLIS

Minneapolis is a diverse and beautiful city that has something for everyone: fine dining, world-class theaters, museums, shopping and green outdoor spaces. During your stay here, take some time with family and fellow nobles to explore the area and visit some of the local attractions.

For family fun, check out the Mall of America, where in addition to shopping and eating, you can enjoy an indoor theme park, play The Escape Game or some minigolf or catch a movie or a comedy show. The Science Museum of Minnesota lets families explore classics like dinosaurs, get hands-on in the Experiment Gallery, or visit several other science galleries.

If you'd rather be outside, visit Minnehaha Park, where you can bring a picnic, go for a hike and admire the stunning 53-foot waterfall. For an afternoon on the water, try Bde Maka Ska Park, a gorgeous lake area with many activities available, including canoe, kayak, boat, paddle board and bike rentals. The Land of

10,000 Lakes also has many other opportunities for hiking biking, boating, and plenty of patio dining for your adventure.

Those who enjoy exploring a city's culture can check out Minneapolis's public art and murals, orchestra, history center and theater district. There are countless restaurants, bars and breweries within a few minutes' walk or ride-share away from the Imperial Session hotels.

## MINNEAPOLIS CONVENTION CENTER

The 2022 Imperial Session will be in the auditorium of the Minneapolis Convention Center. The convention center is located conveniently close to the hotels and dining options. The auditorium provides a large, beautiful venue for our Imperial Session. The public opening, pageant, marketing and communications report, Imperial Representatives' Evening and business sessions will be held in this room. The marketplace and Shriners Zone will be held across the hall in Exhibit Hall B. The convention center has convenient skyway access to all three host hotels: the Hilton Minneapolis, Hyatt Regency and Millennium Hotel.

## WE HOPE TO SEE YOU THERE

The 2022 Imperial Session will be one of fun, fellowship and celebration. Imperial Sir Bill Bailey, Lady Debby, Orak Shriners and Zuhrah Shriners look forward to hosting our nobles, families and friends in Minneapolis. Come enjoy Minneapolis with us while celebrating the fun, fellowship and philanthropy that makes Shriners International the greatest fraternity in the world.

### Supporting First Lady Debby Bailey's programs benefiting Shriners Hospitals for Children

First Lady Debby is dedicated to helping Shriners Hospitals for Children® give patients every possible opportunity to achieve their goals. The family-centered, innovative and compassionate care we provide helps children transform their lives and achieve their highest potential.

Lady Debby's **Transforming Lives** fundraising program shines a light on the amazing contributions Shriners Hospitals for Children brings to the field of scoliosis care, and supports these efforts. Scoliosis is an extremely common condition that, if left untreated, can have debilitating impacts on a child's life.

Scoliosis is a disorder that results in a curved spine. The condition causes the spine to take on a curved appearance, sometimes similar to an "S" or "C" shape. No two cases are alike. Some children develop the condition during infancy, while others don't exhibit symptoms until they're approaching adolescence. Every patient is unique, and Shriners Hospitals for Children's medical teams create custom treatment plans for each child based on the severity of their condition.

We invite you to join Lady Debby in supporting the **Transforming Lives** program. Your donation will help our patients receive the treatments they need to help them live happy, productive lives doing the activities they love most.
