# From the Potentate

Nobles, what an amazing time we have had the past couple months. Our events seem to be getting bigger and bigger which has really added to the experience. Our Oktoberfest party was a complete sell out and we had every seat filled (until the spankings started). I have so many people to thank for making that event special for all of us. First, the Shrine office for taking reservations, advertising and collecting money at the door. It always stinks to have to work during a fun event, but Tammy and Alan do it all the time. Secondly, I would like to give a shout out to our Minister of Fun (Rick Pond) who took advertising to a new level. If you haven't checked out his new website, you should log in and sign up for his updates. Thirdly, a belated round of applause for our cooks! Chef Pall Gudmundsson cooked the main meal, MW Mark Marsh and Ian Knight (both from Carson City) came down to cook the sauerkraut, and Frank Bolshazy made German soft pretzels. Beyond the food, Michelle Schilling was our resident spanker from the Hofbrauhaus and Alyce Wheeler donated shot glasses and beer steins for the event.

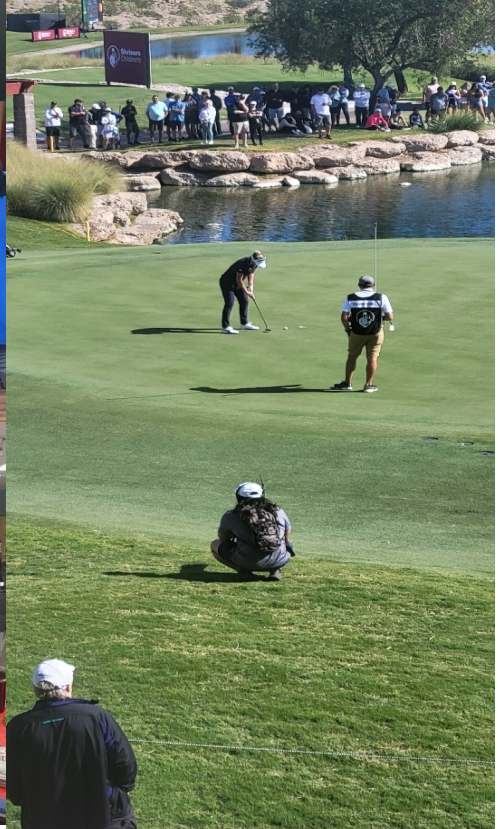

Zelzah Shrine members should be very proud of our members for the efforts they put in to make the Shriners Children's Open a huge success. There are far too many people to thank here, but please know that you made us all proud of your work! Our Shrine Festival in Boulder City was amazing again this year as well. A very special thank you goes out to my Personal Aide (Troy Schneiderman) for creating and transporting the set to Boulder City. In addition to Troy, I would like to thank our traveling cook from Pahrump, Mike Cappa, for serving up some amazing food all weekend long. Lastly, I want to thank Good Dan (yes, that is Dan Erickson) for coordinating our pub crawl on Friday night as well as allowing for the use of Boulder City Lodge for the Ceremonial. I know that I am missing many names from my thank you list, but please know that it is not intentional. I list the previous names not as a complete list of recognitions, but as a way to show all of the Nobility how many people it takes to run these events. Please know that there is room for everyone to take part. If you want to participate in an event at the Shrine, we would love it. If you are too busy this year, don't worry about that; simply give your name to our Chief Rabban (Mike Clark) and let him know that you would like to help next year. I'm quite sure that he would welcome the assistance.

During October we honored the Past Potentates with an amazing steak dinner ahead of our stated meeting and First Lady Darcy and the Shrine Wife took the First Ladies to dinner at Mezzo Bistro. As we roll in to our final months of the year, we have several events remaining and plenty of fun to look forward to. We have the Honored Ladies Luncheon on November 5<sup>th</sup>, which is coordinated by our Assistant Rabban, Eric Halberg. Secondly, it is time to take the challenge to "Fill the Pote's Office" with new unwrapped toys to support Secret Santa and Shriners Children's Southern California. I hope the upcoming month brings everyone love and happiness and as we approach Thanksgiving, please keep our sick Nobles in your thoughts and prayers. The holidays are a time for family and friends, and I am blessed to have you all in my life. Love to you all!

Fraternally,

David Bechtel, Potentate

November is the month to be thankful we live in a free country, due to our for-fathers perseverance, we can own property and be anything we want to be. We celebrate Thanksgiving with family and friends.

I had the pleasure of working at the Shriners Children’s Open last Month and while very tiring, it was a blast to do so. They raised quite a bit of money for the Shriners Hospital and you get to meet a lot of great Shriners from all over the world. If you have a chance to volunteer next year, I highly recommend doing so.

Ill, David's year is winding down and I have to commend him for having one of the busiest years since I have been a Shriner. It has been a lot of fun and interesting challenges to say the least.

If I am elected next year, I want to establish a committee to look at the feasibility to move the Shrine location to a safer location. If any Nobles are interested, let me know. We need to start looking as I do not see where we are at getting any better.

I am looking forward to the Veterans Day Barbecue on November 10 from 10 am to 2 pm at 6900 N. Pecos and if anyone wants to come out and enjoy the comaraderie and flip a few burgers or pass put condiments you are welcome. The car show is open to all types of cars. The more the merrier.

Always keep your God, family, and job before Masonic duties.

Yours in Faith,

Michael J. Clark, Chief Rabban

It's hard to believe we're almost at the end of 2023, and what a busy year it's been. By now all of our Clubs and Units have elected their Officers for 2024 and Zelzah as a whole starts looking ahead towards the New Year. The one thing I would ask all of our new Unit and Club Officers to think about is how we can better integrate our newly made Nobles. As a whole we need to work harder to make sure our newly obligated Zelzah Shriners know that this is their Temple and getting them active from day one. Our Units and Clubs play an important part in that and even doing something as making a phone call or invitation to your next event or meeting can go a long way to getting that new Noble involved. November will be a busy month for all of us with Veteran's Day, Grand Lodge, and Thanksgiving all coming up within the span of a couple of weeks. Hopefully your Thanksgiving will be a great one and time to relax with your family and of course eat well.

I mentioned Veterans Day earlier in this article and as we have a lot of Veterans in Zelzah I want to personally invite our Zelzah Veterans to the Vegas Lodge 32 Veterans Day dinner on 10 November doors opening at 6, dinner at 6:30. Grand Master of Nevada and Zelzah Noble Kevin McCans will be the guest of honor and speaker for the event. you can RSVP me at [brendanvargas1@gmail.com](mailto:brendanvargas1@gmail.com). We'd love to see you and your lady on the 10th of November at Vegas Lodge 32.

The homestretch is here and we're almost at the finish line, lets make the rest of 2023 as good as the rest of the year and I will see you around the Shrine!

*To whom it may concern:*

*My daughter, Lara, was born in Las Vegas, May 3, 1985, with cleft lip, hard and soft palette.*

*At first the State Crippled Childrens Fund was helping, she was labeled a pre-existing condition and not uncovered by insurance. As a pre-teen she was dropped by the state and we were lost.*

*My Uncle David Ward, a Shriners Clown, recommended I contact the Shriners organization to help.*

*Without missing a beat, Shriners stepped in and continued her care until she reached 21years old and her reconstruction surgeries had completed.*

*Providing everything necessary, even transportation and lodging. This care began 20 years ago.*

*And might I add we experienced the most excellent care, and extremely professional handling, also the best state of the art medical services available.*

*Today she looks like a model she is so beautiful. You wouldn't know she had so many facial surgeries.*

*And the greatest part is, when this first began I planted the seed to return the love-she has and does everyday.*

*She is now a nurse.*

*Not just any nurse. She has a BSN and delivers babies at the Labor & Delivery department in Centennial Hospital Las Vegas. She paid her own way through school.*

*She guides new mothers who give birth, especially ones who deal with birth defects. When seeing the results of her journey it calms them about what their child's future can be.*

*And in the case of cleft lips and palettes she is a walking example of a wonderful future on a myriad of levels.*

*Also an advertisement of how Shriners is so helpful and needed.*

*Oh, her supervisor, the head nurse, just happened to be the nurse/midwife that delivered Lara 38 years ago at Women's Hospital and Contacted Dr. William Khopf to start her journey in reconstructive surgery and the amazing Shriners organization, staff and members, talk about kismet.*

*Anyway, Lara is a home grown Las Vegas Shriners Success Story of such great and admirable history/background.*

*Would be a shame to not let only the local area of Las Vegas know about her and her awesome journey but the nation during the time of the golf open to display Shriners great works! Shriners made it possible! And what a wonderful donation-investment. She is giving back to the community that took such good care of her needs!*

*Thank you,*

*Leslie Chikato-Moreno*

*Mother of Lara, cleft lip/pallet Shriners patient.*

*I am so proud of my daughter.♡*

*Lara with her supervisor and also the nurse midwife that happen to be my attendant with the birth, and name is on her birth certificate. How awesome to end up working with her.*

Thanksgiving Greetings Nobles, Ladies and Friends,  
Lady Michelle and I want to wish you the warmest gratitude for your continued support of our Fraternity and the Kids we help. May you have safe travels and fun and fellowship with Friends and Family. We have so much to be thankful for, let's take a moment to breathe that in and share.

On November the 5th, the Divan and Ladies Divan will be hosting our Annual Honored Ladies Luncheon at the Shrine Center. This event helps us to honor these Ladies of passed Nobles who gave up time on their own and allowed their husbands to have fun with us while helping the Shrine Kids. They are truly part of our Shrine Family of whom we cherish.

Fraternally Yours,

Eric M. Halberg

Asst. Rabban

Hey Cuzzins and Non-Cuzzins another month gone and soon another year:

What a great time at the Oct 1st gathering. Think we broke a record in electing our 2024 officers. A carry-over from 2023 with no new names for nomination. A quick acclamation vote and we were done.

At high noon prior to our 1pm meeting we had a Hillbilly Guy Degree. Nobel Fred Wilson from Kerek Shrine now residing in Pahrump, added "Cuz" to his name after climbing the hills of the Grand and Glorious Order of the Hillbilly Degree. He joined Clan 47 proudly as he Honored the Cob and Respected the Crescent. I thank those Cuzzins who assisted in the Degree Team: "Cuz" Russ Gray, Brendan Vargas, Herb Hyman, the Dude Vince Gray and Ron Krever. I also thank all who came, the gals, and especially those who brought vittles and raffle gifts.

With the holidays approaching be sure to check your emails. Working on a joint pay-as-you-go vittle adventure with the Aviation Club. Since their a small group with most members hillbillies, a nice holiday spirit gesture is to invite them along..venue and date TBD.

Our next formal Hillbilly gathering is scheduled for Saturday, February 3rd, 1 pm, SO MARK YOUR CALANDER. We'll not only show-off our 2024 officers but DEDICATE THIS GATHERING TO OUR MOMMA'S in appreciation for all they do. It will be a pot luck, with raffles, 50-50, a degree if we have candidates and who knows maybe some live entertainment. We'll make it a special day. So load the buggy, pack the mule and come on down. Let's "HONOR THE COB " for the children this fraternity supports.

# **Oriental Guide Must Be Selected Wisely**

## **Election of Zelzah Officers**

**December 19, 2023**

When the members of Zelzah Shriners elect a Noble to the Office of Oriental Guide, they are virtually starting that Noble through the Divan Line on the assumption that he will prove qualified for and worthy of advancement to the high office of Illustrious Potentate.

Hence it is quite evident that nomination for Oriental Guide should be based upon a thorough and accurate evaluation of character, ability, motivation, interest, and experience. A Noble can be a great fellow, hard worker; and loyal Shriner and yet lack the basic qualification which makes for a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to Zelzah Shriners in seeking the Office or permitting his fellow Nobles to support and promote his candidacy.

Each Shrine Temple needs and requires capable, high-type leadership. The normal starting point of that leadership is the office of Oriental Guide. The following checklist may prove helpful in evaluating potential candidates for the Office of Oriental Guide. However, no thinking man would be so naïve or presumptuous as to believe that any one Noble could possibly embody all of the virtues, talents, and qualifications which are outlined in this checklist. Nevertheless, the list has practical value for self-evaluation by the Noble whose ultimate aspiration is the Office of Illustrious Potentate, and for evaluation of potential candidates by the voting members.

**Leadership**

**Executive ability**

**Community standing and influence**

**Financial security**

**Business Sense**

**Energy and Vitality**

**Capable of building good public relations**

**Good habits and moral character**

**Well-Poised**

**Good Health**

**Diplomacy**

**Stage Presence**

**Competent Organizer and Promoter**

**Possess Social Graces**

Many temples have placed a definite limitation upon their progress as a result of hasty judgment in connection with nominations for the office of Oriental Guide. Every Noble is not fit to meet the rigorous demands placed upon Potentates. So, let's be fair, honest, and wise in the all-important matter of electing to office only men who are eminently qualified for the job. We all know that with honor comes responsibility. While there is high honor associated with being a Divan Officer, the ensuing responsibilities entail a lot of time and energy consuming work. Eternal vigilance must be wisely and thoughtfully exercised by the voting membership in order to perpetuate a high caliber of leadership.

Journey of the traveling fez,  
What does it mean, what does it see?  
What does it imply but almost similar to a Mason's apron.  
A symbol, a sign, a reminder of what Shrinedome means.  
What do others achieve and how can we too achieve?

Shriners' Fez.  
A beacon of fun, philanthropy, and our shrine kids.  
Kids with burns, accidents, disabilities, and other health concerns.

But the fez doesn't know how to upset the future... No one man has all the answers, but maybe a collection of Nobles can find such answers.

The traveling fez is welcomed all over the world. I mean we are an "international" organization, aren't we???

Is the fez perfect? No, nothing truly is perfect.  
We must learn, evolve, change.  
Better ourselves daily.  
That's what the Fez remembers.

Obligations, the Shriners' Creed, his actions, and promises upon the good books but every member took a promise and lives by such words daily.

The fez travels, watches, and learns.

Anger isn't the answer, neither is misery. Neither are hateful or discouraging comments about good things like growth, possible change, locations, community and more importantly saying thank you to every Noble for serving and being available when needed.

Leaders lead, make way for new Nobles, move on, and pass the torch. The torch is like a beacon of hope that we who wear a fez act to improve daily. Hope and growth and show those who look up to us as those they can. That's the traveling fez.

Welcomed all over the world and learning daily that 100 years later change is good.

So, remember our creed, hospitality without rudeness.

And remember the fez sees more than we feel, act, or part.

So, let's remember next time we meet that the fez has goals and hopes. And without our controlled emotions and ability to pass on knowledge and guidance, the fez is only as successful as the Nobles that wear it.

It's been tough. Almost willing to give up. But together the Zelzah fez will become better every year with hope, faith, growth, and simple reminders: "We must do what is right, simply because it is right...."

God bless Vegas Shriners  
God bless Shrinedom.  
And our disabled kids we make whole and worthy daily...
